

ARTICLE 12. FACILITIES and SUPPORT

Section 1. The University shall provide bargaining unit faculty members with facilities and services appropriate to the performance of their job duties and conducive to performing their duties in a professional atmosphere.

Section 2. The University shall provide Officers of Instruction with a university email address, a mailbox, access to a telephone number and voicemail, reasonable office space and desk space, and reasonable access to a telephone, a computer, storage space in an office or similar location that locks, a printer, a copier, private space for meeting with students (which need not be dedicated for this purpose), and access to electronic course management systems such as Blackboard. All of the spaces, systems and equipment (except email and mailboxes) listed in this section may be shared.

~~The parties agree that reasonable office and desk space depends on the particular circumstances, including but not limited to: the space available to the department or unit; the other priorities for the use of the space; the FTE, schedule and nature of the work of the bargaining unit faculty member; and the bargaining unit faculty member's actual use of office and desk space. The University's decision on how to allocate such space will be given deference. If an arbitrator determines that a bargaining unit faculty member's assigned office or desk space is unreasonable, he or she will remand to the University to decide how to comply with this Article. The arbitrator cannot order that the University's physical space be used in any particular way, or that a bargaining unit faculty member be provided with any particular space. Given that this provision imposes a new obligation on the University with regard to the provision of space, past practice with regard to office or desk space will not be binding on either party in determining the reasonableness of the office or desk space provided.~~

Section 3. The University shall provide Officers of Research with a university email address, a mailbox, a telephone number and voicemail, appropriate workspace, and appropriate equipment to complete assigned work. All of the spaces, systems and equipment (except email and mailboxes) listed in this section may be shared.

Section 4. Bargaining unit faculty members shall have the right to access their work facilities when needed for the performance of their professional responsibilities. However, this shall not preclude the University from restricting access when necessary for university operations or in case of emergency.

Section 5. A bargaining unit faculty member who complies with the university's processes and deadlines around the assignment of classroom space shall be provided one classroom for the duration of a class period.

- a. Exceptions shall be made ~~in the following circumstances:~~ **for pedagogical reasons or in cases of emergency.**

3 in case of emergency.
4

5 This Agreement recognizes that exceptions may also be made when the length
6 or scheduled time of the class period makes it difficult to provide a single
7 classroom for the entire class meeting. In those circumstances, the University
8 will take reasonable steps to avoid these exceptions by anticipating late
9 enrollment and the needs of programs where length and schedule time of class
10 periods may be different from the classroom scheduling protocols applicable
11 elsewhere in the university.
12

- 13 b. A bargaining unit faculty member ~~may~~ **has the right to** discuss with his or her
14 supervisor preferences for or concerns about specific classrooms before
15 assignments are made.

18 sufficient to seat the maximum enrollment established at the time the course is
19 opened for student registration.
20
- 21 d. Assigned classrooms will have the technology identified **as necessary** by the
22 bargaining unit member and approved **by the university** at the time the course is
23 opened for student registration. ~~Reasonable~~ **Technological** support will be
24 **equitably** made available **to all faculty**.
25
- 26 e. The University may change a classroom assignment if a classroom is
27 determined to be inaccessible for a student or employee. A bargaining unit
28 faculty member should notify the Office of the Registrar as soon as he or she
29 identifies a barrier to the access of a student or employee to or within a
30 classroom. The University will comply with all applicable laws regarding
31 disabilities and access for bargaining unit faculty members.
32

33 **Section 6.** All bargaining unit faculty members shall be assigned, and shall be expected
34 to use for university purposes, a University of Oregon email account, a Duckweb
35 account, and a DuckID at least 15 days before the employment start date or as soon as
36 practicable. Bargaining unit members shall follow university procedures and provide
37 requested information in order to obtain such services.
38

39 All ~~Career NTTF and Tenure Track and Tenured~~ bargaining unit faculty members not
40 terminated for cause and who have complied with terms of this Agreement and all
41 policies applicable to the use of university email shall be provided access to a University
42 of Oregon email account, a Duckweb account, and university courseware for at least two
43 terms after the end of their employment. The former bargaining unit faculty member
44 must continue to comply with the terms of this Agreement and all policies applicable to

The University shall furnish appropriate aids and services to bargaining unit faculty members with disabilities as required by law.
