

ARTICLE 15. ACADEMIC CLASSIFICATION AND RANK

Section 1. The University shall assign each bargaining unit faculty member the classification, and rank within the classification, described in Section 2 of this Article which most closely reflects the duties described in his or her contract and job description, his or her education and/or his or her experience. Nothing shall preclude a bargaining unit faculty member from being assigned and performing other duties not described in his or her specific classification as long as those duties are consistent with his or her job description. ~~Nothing in this Agreement precludes the University from using these definitions in another context.~~

Section 2. The following are the classifications and ranks that apply to bargaining unit faculty members.

- (a) **CLINICAL PROFESSOR OR PROFESSOR OF PRACTICE:** A non-tenure track paid appointment for individuals with primary duties in the area of clinical instruction or professionally-related community education/service. Ranks in the Clinical Professor classification in ascending order are assistant clinical professor, associate clinical professor, and clinical professor; and in the Professor of Practice classification in ascending order are assistant professor of practice, associate professor of practice, and professor of practice.
- (b) **INSTRUCTOR:** A non-tenure track paid appointment for individuals with primary duties in the area of instruction. Such appointments may include advising and mentoring expectations congruent with creative and engaging undergraduate instruction, including the possibility of involvement in design and development of courses and the curriculum. Ranks in this classification in ascending order are instructor, senior instructor I, senior instructor II.
- (c) **LECTURER:** A non-tenure track paid appointment for individuals with primary duties in the area of instruction and graduate education. The appointment may also include upper division undergraduate instruction. Such appointments may also include significant mentoring and advising responsibilities and a significant measure of responsibility for graduate education. Appointments in the lecturer series will always require the terminal degree (or its professional equivalent), but the holding of a terminal degree does not by itself entitle a bargaining unit faculty member to appointment in the lecturer series. Ranks in this classification in ascending order are lecturer, senior lecturer I, senior lecturer II.
- (d) **LIBRARIAN:** A non-tenure track paid appointment for individuals with primary duties in the university libraries. Ranks in this classification in ascending order are assistant librarian, associate librarian, and senior librarian.
- (e) **RESEARCH ASSISTANT:** A non-tenure track paid appointment for

1 individuals who have typically earned a bachelor’s or master’s degree with
 2 primary duties in the area of research performed under the direction of a
 3 tenured or tenure-track faculty member, a research associate or a research
 4 faculty member. Ranks in this classification in ascending order are research
 5 assistant, senior research assistant I, senior research assistant II.
 6

7 RESEARCH ASSOCIATE: A non-tenure track paid appointment for
 8 individuals who have earned a doctoral degree (or the highest professional
 9 degree in the field) with primary duties in research. Ranks in this
 10 classification in ascending order are research associate, senior research
 11 associate I, senior research associate II.
 12

13 (f) RESEARCH PROFESSOR: A non-tenure track paid appointment for
 14 individuals with primary duties in the area of independent research. Ranks in
 15 this classification in ascending order are assistant research professor, associate
 16 research professor, and research professor.
 17

18 (g) ADJUNCT: A non-tenure track paid temporary appointment that is
 19 intermittent or of limited duration except as provided in Article 16, Section
 20 13.
 21

22 (h) POSTDOCTORAL SCHOLAR: A non-tenure track paid research appointment
 23 that is of limited duration for individuals who have earned a doctoral degree.
 24 The postdoctoral scholar is paid by the University from university-controlled
 25 funds, such as federal grants. The compensation must be taxable as income for
 26 federal income tax purposes.
 27

28 (i) RETIRED: A bargaining unit faculty member is considered to be retired if he or
 29 she resigns or is terminated without cause from employment with the university
 30 or enters into a tenure reduction or relinquishment agreement and:
 31

- 32 i. is eligible for unreduced or reduced benefits under the Public
 33 Employees Retirement System (for participants in PERS) or the
 34 Oregon Public Service Retirement Program (for participants in
 35 OPSRP);
- 36 ii. is eligible under Internal Revenue Service rules to withdraw
 37 funds from an account established under Optional Retirement
 38 Plan and meets the requirements for unreduced or reduced
 39 benefits under, depending on date of hire, PERS Tier 1 or 2 or the
 40 OPSRP.
 41

42
 43 This classification includes the post-retired or emeritus faculty described in
 44 Article 1, Recognition.
 45

46 (j) TENURE-TRACK AND TENURED PROFESSOR. A paid appointment

1 wherein an individual is designated by the University in writing as eligible
2 for tenure or has been granted tenure in writing by the Provost. Ranks in this
3 classification in ascending order are assistant professor, associate professor,
4 and professor.
5

- 6 (k) ACTING ASSISTANT PROFESSOR: A paid appointment for individuals
7 intended by the University to become tenure-track assistant professors but
8 who have yet to complete the terminal degree.
9

10 **Section 3.** The term "Career Non-Tenure-Track Faculty" (Career NTTF) describes a
11 bargaining unit member who has been hired into the following classifications: clinical
12 professor or professor of practice; instructor; lecturer; librarian; research assistant;
13 research associate; or research professor. Career NTTFs do not include ~~a~~Adjuncts or
14 Postdoctoral Scholars.
15

16 **Section 4.** All bargaining unit faculty members, except for those in the Adjunct or
17 Postdoctoral Scholar classification, shall have the right to petition the Provost or
18 designee for reclassification if they believe that their work was misclassified at the time
19 of first hire or their position has evolved to more closely resemble a different
20 classification. If a petition for reclassification is denied, a bargaining unit faculty
21 member may petition again after completion of at least one additional year of service in
22 the position.
23

24 "Adjuncts" who believe that their positions should be "Career" appointments may
25 petition for reclassification after the completion of two years of appointment.
26 Because the defining characteristic of the "adjunct" classification is its limited
27 duration, the decision of the Provost or designee should be guided by the current and
28 anticipated duration of the position, and the completion of successful review(s).
29

30 **Section 5.** A reclassification shall take effect at the beginning of the next fiscal year,
31 grant fiscal year, or academic year, as appropriate.
32

33 **Section 6.** A change in rank within classification requires a promotion. A bargaining
34 unit faculty member may not be reclassified into the Tenure-Track and Tenured
35 Professor classification.
