

Eleanor Wakefield

I am a pro-tem instructor in English and currently serve as the Chair of the Representative Assembly for UA. For several years I attended the AFT-Oregon convention as a delegate for the GTFF, where I was a board member and a long-time steward. At convention, I have served as the chair of the elections committee, overseeing voting for the AFT-Oregon board and field representatives. As a pro-tem, I can represent the interests of parts of our membership who are sometimes less visible in UA, and as a returning delegate, I can contribute to strengthening our relationships with other locals and AFT-Oregon. ewakefie@uoregon.edu
