

Frank Veltri:

Over the past 4 years I have served as the union representative in the Lundquist College of Business. I had the opportunity to attend the AFT-Oregon Convention over 3 years ago and came away with an uplifting experience about the direction of the union. There are many takeaways from attending the conference and I would share my experience with union members. I have worked to keep active at the University of Oregon by attending Rep Assembly meeting and was part of the organizing blitz campaign.
